### **Proclamation of Alliance** Vienna (Austria)

ATLAS International (Seattle, United States) and EUROMOVERS International (Contern, Luxembourg) formed an alliance of cooperation and sales. Pete Helgeson (ATLAS Intl. Vice President and General Manager) stated during the ceremony: "We are convinced that we have set the first step of a long lasting cooperation as we are determining

Quality and Services as our Top priority." EUROMOVERS and ATLAS Intl. are now able to directly accessing each other's network structures which allows an extended and optimized service to their clients and Agents.

### **Network evolution** Contern (Luxembourg)

In the first quarter of 2007, nine (9) German based companies joined our international organization; also one (1) company from Brussels, Belgium (Servaes Services); one (1) from China (Doda) and one (1) from the Russian Federation (4Sides). Three former prospect members were approved for ordinary membership (F&N in the UK; Geschwandtner SRO Slovakia and Euromoving2000, Italy). These members were honored during the international conference in Vienna.

### **Port Agent's Services...** Bonn and Bremerhaven (Germany)

Effective August 2007, the international department of EUROMOVERS is performing Port Agent Services for Members, Agents and Clients. As of that day, the international department in

Bonn is providing rates which are "in line with the market" and offers another added value to her members. Goal is the consolidation of the entire potential to purchase better freight rates and to

enforce reciprocity with the network partners. Email your rate request to [info@euromovers.com](mailto:info@euromovers.com)

## Centralized Relocation Service

Hanau/Frankfurt (Germany)

The 2007 General Meeting decided in May, to install "DSP" services at all major Cities in Europe. In order to grant the

maximum on expertise, *EUROMOVERS* included the "RELOCATION PROFESSIONALS" into their network. Regular relocation services, such as orientation trips, house hunting, authority assistance, schooling, etc., are arranged via centralized coordination and to reasonable rates. As of today, own

network partners are situated in Austria, Czech Republic, Italy, France, Switzerland, Germany, Netherlands, Luxembourg, Belgium, and UK. Relocation services as well as removal services can be arranged worldwide.

## International conference 2007

Vienna (Austria)

The 2007 international conference of *EUROMOVERS* INTL was successfully held in September in Vienna, Austria. Our numerous participants were delighted by the beauty of this great City and the most beautiful weather. The conference was perfectly organized, thanks to our valuable local member *Geschwandtner GmbH*, who went the extra mile to arrange everything to everybody's convenience. This conference was determined as a "perfect balance of information and networking".
